

Hello

Welcome to Hove Museum.

I love it when people visit me  
and my toy collection!

Here are some Museum adventures  
you can go on...

*The Wizard*

Paintings  
Gallery

Have a look around the room. All these paintings  
have one thing in common - they show people  
working. How many jobs can you find?

*(Fishmonger, ballet dancer, dentist, ice hockey players, fishermen,  
teachers, dentist, laundry workers, aircraft servicers, painter,  
potato pickers, school children, cleaners, railworkers)*

People lived in Hove 9,000 years ago in the Stone Age. **Can you  
find some tips of spears and arrows?**

There was no sea between here and the European mainland.  
Elephants roamed across this area. **Can you find an elephant's  
tooth?**

The remains of a 2000 year old Roman villa were found at West  
Blatchington. **Can you find something that was used for paying  
for things? Something used for making clothes? Something  
used for cooking?**
