END

Hurrah! You found all our animals and birds By solving a puzzle made out of words

2
Seek a black cupboard
then using your eyes
Count feathered animals that
builds nests and flies

3
Seek the magical
phoenix bird born of the fire
Splendid in gold - choose a
mirror and look higher

4
Study the paintings
with a countryside view
And you'll find large farm
animals that speak
in a moo

5
Find two big Chinese
pots glazed white and blue
And see warriors on animals
that wear a horseshoe

**DRAWING
ROOM**

9
In front of the fireplace
an embroidery screen
Look above to see
dragons floating
in green

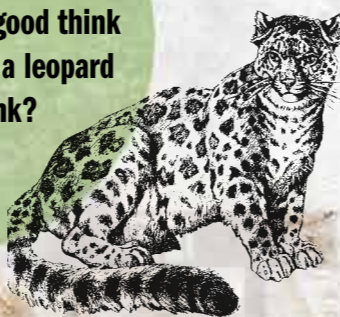

8
On a wall of gold
leather not paper or card
Spy monkeys playing,
if you look very hard

7
Stay where you are
now you're in the habit
See a white creature.
Do you think it's a rabbit?

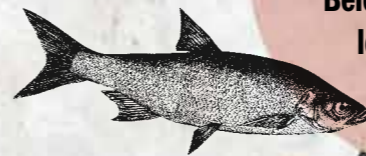

6
Kneel at a glass
cabinet and have a good think
Have you ever seen a leopard
spotted in pink?

**CLEVES
ROOM**

10
Look for a painting
of a lady in white
Below see two fish one
left and one right

11
By the fireplace on
each side of the grate
Find strange white pots on
a gold stand with a snake

12
Stay right where you are
by the grate made of iron
On those strange pots see
the face of a lion

**MACQUOID
ROOM**

13
In the next room see
rare furniture and boxes
Look high on a wall for some
pictures of foxes

**MAIDS
BEDROOMS**

17
Climb the steep staircase
it's not too much trouble
Then go find the picture of
a pup and cat cuddle

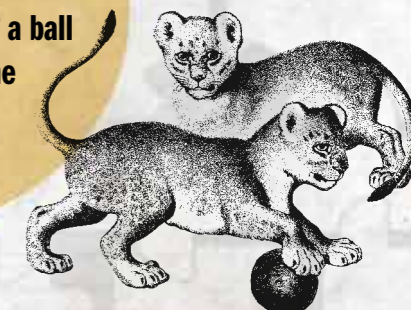

16
Go down the stairs to
the place of the cooking
There's no animals here, so
just do some looking

**BASEMENT
KITCHENS**

15
Hung in the doorway
stitched with needle
and thread Butterflies
to flowers are prettily led

14
On the right of the
fireplace in a tiny gold frame
See a kitten playing a ball
and string game

**MORNING
ROOM**
