

*Department of Ancient Egypt
Brighton Museum
Brighton*

Dear Class,

Would you like to be trained as Ancient Egyptian Embalmers?

We have some spaces left on our training course and would like to invite you to attend to learn the skills of mummification.

We have lots of work to do and we need you to come prepared to work hard and follow step by step instructions.

We have life size mummy dolls that we train new embalmers with. Not only do we have to wrap them, but they have to be properly prepared, cleaned, preserved and decorated with jewellery and amulets for their journey to the Afterlife.

We also have some 5000 year old artefacts from Ancient Egypt to show you. Here in the Museum we're not sure what these objects are. Do you think you'll be able to help us work out what they are and how they were used by the Ancient Egyptians?

We look forward to meeting you

Best
