

Dear Class,

Do you like toys? We hope you do!

Here at Hove Museum, we have *lots* of toys. Some are very, very old — even older than your grandparents! Some toys were left here long ago by the children who lived in this house before it became a museum. We have puppets, teddy bears, dolls, and other toys you might never have seen before. Our toys are made from all kinds of different materials.

We love it when schools visit us. Then we can bring out the toys for you to look at and play with. You can try to imagine what life was like 100 years ago. After that, you can go upstairs to the Wizard's Attic and see toys the Wizard collected from all around the world.

We can't wait to see you soon.

From Barney, Louise, Sara, and everyone at Hove Museum
