

Victorian Paper Doll Craft

Make and Dress your own Preston Manor Character Doll

Welcome to Preston Manor, one of the finest homes in the seaside town of Brighton.

It's 1897 and the Manor is home to Mrs. Eleanor MacDonald and her daughter Lily. It's a busy household. Mrs. MacDonald employs a butler, footman, gardener, cook, oddman, and many housemaids and kitchen maids to help her host important guests and put on lavish dinner parties, sometimes with up to 8 courses.

Here you will find paper dolls of:

Mrs. Eleanor MacDonald (1824-1903)

Lily (Christina) MacDonald (1866-1947)

Mr. Beesly, the butler

Tom, the oddman

Winifred, Mrs. MacDonald's private maid

Edward, the footman

Various household items belonging to Mrs. MacDonald

Pets: Kylin, Pickle, George the Pavilion cat, Morris (the cook's cat) and a few more cheeky residents hidden away. Can you find them?

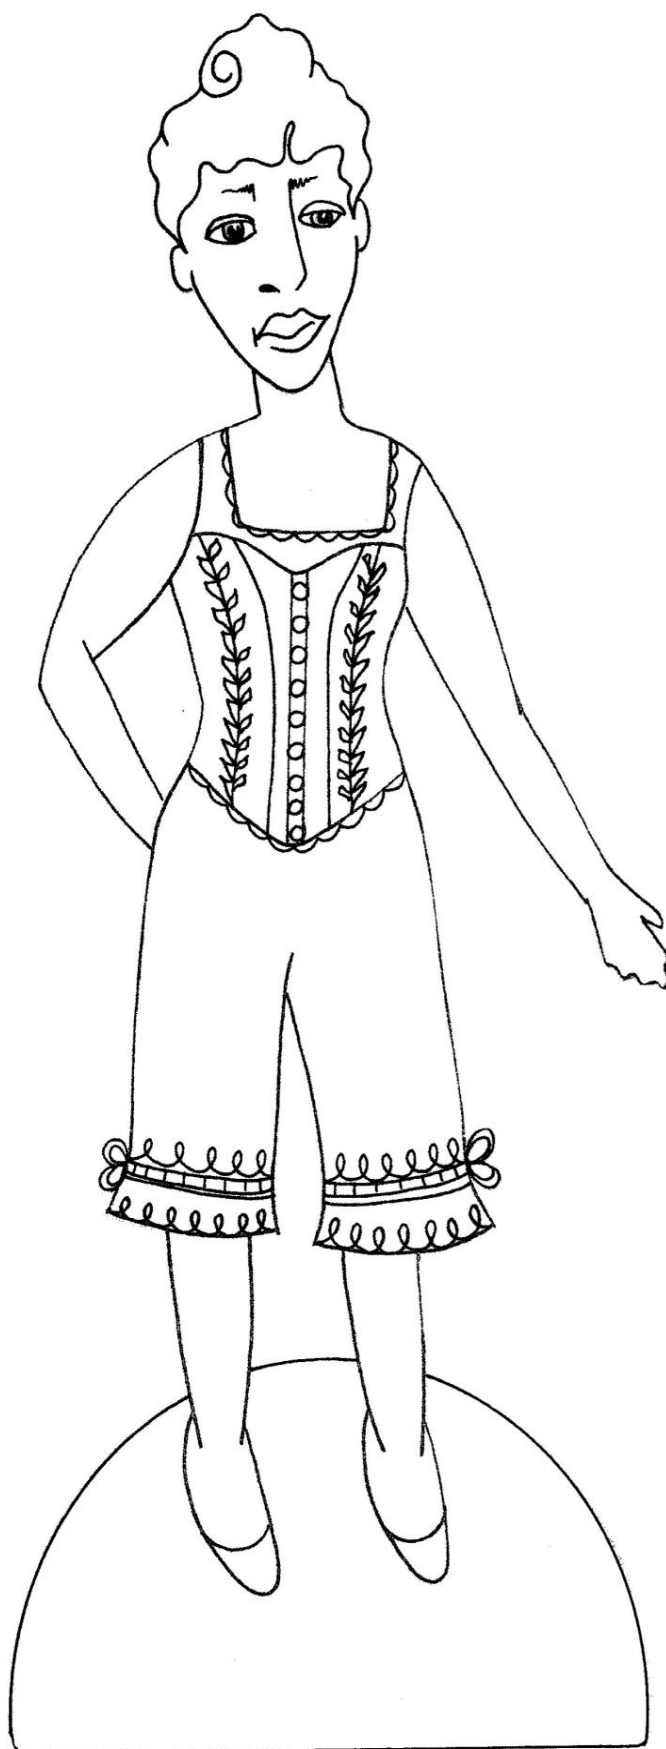

Using pens, colouring pencils or crayons, colour in the paper dolls and their clothes. Cut them out and fold the tags onto the clothes to attach them to your paper dolls.

You can colour in the accessories and add them to make your own Preston Manor paper dolls or use them to make a collage picture of life at Preston Manor in 1897.

Remember, you can add drawings of your own too.

What is different between the clothes wore in Victorian times to the clothes we wear today? How are Mrs MacDonald's and Lily's clothes different from the servants' clothes?

Look out for some of the objects here when you visit Preston Manor and learn a bit more about them.
